KINETROL 1/4 TURN PNEUMATIC ACTUATORS

Kinetrol Limited guarantee these products for a period of one year after despatch ex-works as to satisfactory operation, liability limited to free replacement or repair, where due to faulty workmanship or materials, and excluding faults due to misuse, such as ingress of dirt, distortion of case due to hammer blows, over heating, or faulty mounting causing misalignment or shaft end load, or case or shaft damage caused by inertial shock loading; also excluding fair wear and tear which as a guide can be interpreted as follows where it is clearly possible to establish the duty cycle of the actuator:-

Models up to and including 09.....2,000,000 cycles
(4,000,000 operations)

Models larger than 09.....1,000,000 cycles
(2,000,000 operations)

One cycle being movement from one side to the other, and back again.

R. C. Nash
